RE: Patent # 09/939,385
Patent # 10/704,308

To Commissioner of Patents:

6/22/05

I have just become aware that my signature is online of several patent documents. I strongly believe this puts me at risk for identity theft. I am requesting that you immediately replace all of my written signatures online with **/Scott Levine/**. I should be afforded the same protection as electronic filers. Please contact me if you have any problems in processing my requests. I think you should review your policy about placing original signatures online in general.

Sincerely,

Scott Levine, MD
